

# Number Groups

## Kinesthetic Likeness

There are two Number Groups: Sammy and Kara. Numbers 0, 8 and 9 build on the same counterclockwise pencil stroke and are classified as Kara numbers, along with number 5. Numbers 1, 2, 3, 4, 6 and 7 are classified as Sammy numbers, though they do not build on a common pencil stroke, i.e., vertical, diagonal etc.

1 2 3 4 6 7

0 5 8 9
